

Chionh Chye Kit, Co-founder and Chief Executive Officer at Cynopsis Solutions

Chye Kit co-founded Cynopsis Solutions in 2014, an award-winning end-to-end RegTech solution provider headquartered in Singapore. Cynopsis Solutions focuses on simplifying complex KYC, KYB and AML requirements by automating and digitising key regulatory processes for clients in financial and non-financial services sectors globally.

Under his leadership, Cynopsis Solutions is named as a Top 10 Fastest Growing Company in Singapore 2020 by The Straits Times and Top 50 High Growth Company in Asia Pacific 2020 by The Financial Times. Cynopsis Solutions is also ranked amongst the Top 100 most innovative RegTech companies in the world by FinTech Global.

Chye Kit currently serves in the Executive Committee of Singapore FinTech Association as a Treasurer.

Avere Hill, Co-founder and Chief Revenue Officer at Cynopsis Solutions

Avere is the Co-founder and Managing Director of Cynopsis, where he leads the strategic expansion of the business into the EMEA region. A qualified accountant and accomplished senior financial services professional, he brings over 25 years of international experience to his role.

Avere began his career with JP Morgan in London and gained extensive international expertise during his tenure with BNY Mellon and Manulife Asset Management in Asia. At Manulife, he served as Senior Managing Director, overseeing all client-facing activities in the region. His responsibilities included sales, relationship management, client service, marketing, and product development, with a key focus on ensuring regulatory-compliant client onboarding.
